

Earthquake Emergency Prep

Dear Parents,

At All Souls, we take emergency preparation very seriously. The school provides a general emergency earthquake kit with water, food, blanket, flashlight, etc. for each child and these are stored in the classrooms.

In addition, we are requesting the following items to be placed in a **large plastic zip lock bag**, labeled with your child's name, and brought to school with the school supplies.

Please include:

- A family picture
- A small travel game or toy
- A favorite non-perishable snack
- A change of clothing (nothing bulky), including underwear

All items will be returned to you at the end of the school year.

Thank you.
